The following was sent to the KYAE listserv.

Need WorkKeys Administrator Training?

Due to popular demand, **Kentucky Career Center will be hosting WorkKeys Administrator Training in the western region of Kentucky.**

If you need training for someone in your program and it would work for him/her to attend this training in either Hopkinsville or Madisonville (TBD), please send his/her name to me by next Wednesday (7/27). I will compile the names and send them on to Kentucky Career Center; their staff will then determine the location and date for a full-day training.
