The following was sent to the KYAE listserv.

VERY IMPORTANT / FROM CODY: GED® Ready Test voucher info

All,

Starting **November 13th**, please do not use the paper GED Ready® Test Vouchers assigned to your program. On November 13th, only use the new KAERS GED Ready® Test functionality (Don't miss Terry Tackett's webinar today at 3:00pm EST).

We have piloted this new functionality with three local providers and have received positive feedback.

It is very important that none of the paper GED Ready® Test vouchers are used after November 12th because we will be working with GEDTS® to identify these vouchers and put them into the KAERS system. Therefore, if a paper GED Ready® Test voucher is used after the date GEDTS® runs the report, it will be invalid when it is used through the KAERS system.

Thank you for your attentiveness to this situation!

Thanks,
