Instructional Framework Webinars Now Available

Good afternoon, colleagues,

Thank you again for your engagement and participation in the launch of the new KY Skills U Professional Learning Model. [Click here](#) to find detailed guidance for accessing a pre-recorded webinar series that accompanies the new KY Skills U Instructional Framework Series. All providers are encouraged to become familiar with the new frameworks. However, Instructors working 500+ hours per year are required to view the entire webinar series, complete the associated Survey Monkey questionnaire, and attend their designated PLC rollout event to fulfill 2018-19 professional learning requirements. Viewing of the webinar and completion of the associated survey should conclude prior to the start of PLC rollout events scheduled for Thursday, 10/18/18.

Please don't hesitate to contact me with questions or concerns regarding the frameworks, webinars, or upcoming PLC rollout events. I look forward to seeing you soon!

Kindest regards,

Lori Looney
