GED® Ready Test vouchers

There are a few circumstances when GED Ready® test vouchers may not be available through KAERS.

GED Ready® test vouchers may be requested by emailing GED@ky.gov in these situations:

- When the KAERS system is undergoing maintenance around the beginning of the new fiscal year
- Special circumstance where there is an immediate need for a voucher (i.e., weekend testing)
- If a student is ready to retest but a technical error is keeping a previous Ready® test score from downloading in KAERS

Problems with Ready® test vouchers may be reported at GED@ky.gov.
