The following was sent to the KYAE listserv.

IMPORTANT TABE ONLINE MIGRATION UPDATE

Data Recognition Corporation, the company responsible for TABE and the new DRC Insight Portal, has given us an update on the migration. Very soon they will upload the spreadsheet of contacts for each county. Once that is complete, those contacts (ONE for each county) will receive an email with a NEW username and password. Your old usernames and passwords will not work on DRC Insight, only on OAS. The new TABE Online portal is not available until the county admin receives new credentials and sets up other users.

We are expecting updates from DRC today and tomorrow. **Please be aware that the new credentials might not be emailed until Friday;** we are in a long queue of other states migrating.

If you have questions or need clarification, please contact Terry Tackett or Natalie Cummins.
