### Educator Tube

EduTube is an educational video search platform launched in April 2008. Our aim is to organize the best free online educational videos, and make them easy for you to find, watch and download.

<http://www.edutube.org/>

## Teacher Tube

Our goal is to provide an online community for sharing instructional videos. We seek to fill a need for a more educationally focused, safe venue for teachers, schools, and home learners. It is a site to provide anytime, anywhere professional development with teachers teaching teachers. As well, it is a site where teachers can post videos designed for students to view in order to learn a concept or skill.
